MB CLEAN
Environmental Policy

MB CLEAN endeavour to comply with all relevant regulatory requirements including The **Environmental Protection Act 1990**, **Environmental Act 1995** and current environmental legislation. Working towards environmental management systems compliant with **ISO14001**.

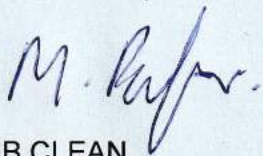

We recognise that we have a responsibility to the environment beyond legal and regulatory requirements. We are committed to reducing our environmental impact and continually improving our environmental performance as an integral part of our business strategy and operating methods. We will encourage customers and suppliers to do the same.

Mark Barker (**Owner**) is responsible for ensuring that this environmental policy is implemented, however all employees have a responsibility in their area to ensure that the aims and objectives of this policy are met.

We aim to minimise the impact on the environment by:

- a) continually monitoring our environmental performance;
- b) protecting natural habitats, flora and fauna;
- c) incorporate environmental factors into business decisions;
- d) increase employee awareness through relevant environmental training;
- e) involve employees in the implementation of this policy, for greater commitment and improved performance;
- f) work with suppliers, contractors and subcontractors to improve their environmental performance;
- g) incorporate community factors into business decisions;
- h) use local labour and materials where available to reduce CO2 and help the community;
- i) update this policy at least once annually in consultation with employees where necessary.
